If

At Moso Retail Environments, we prefer a print ready PDF.
By supplying a PDF, you create a simple work flow between you and us.
To create a print ready PDF please follow the guidelines below.

☑ 1. Outline all fonts.

☑ 2. Photos should have a resolution of 150 dpi.

☑ 3. Embed all images.

☑ 4. Set the color mode to CMYK.

☑ 5. Document should be set up to the correct final size.

☑ 6. Use the PDF setting “High Quality” when saving your PDF.

☑ 7. Examine the PDF at 100% view to verify the image quality, text, color, grammar, and final size.

If color matching is required, please specify any pantones or supply a hard copy.
any assistance is needed, please contact us and we will gladly help you through the process.
