

**FRAME ASSEMBLY & GRAPHIC INSTALLTION INSTRUCTIONS**

**STEP 1:** Spider stand bundle comes complete with a storage bag. Remove the contents of the bag.

**STEP 2:** Place the unit on the floor using the two legs and the support pole. Then lift the upper support arms into place.

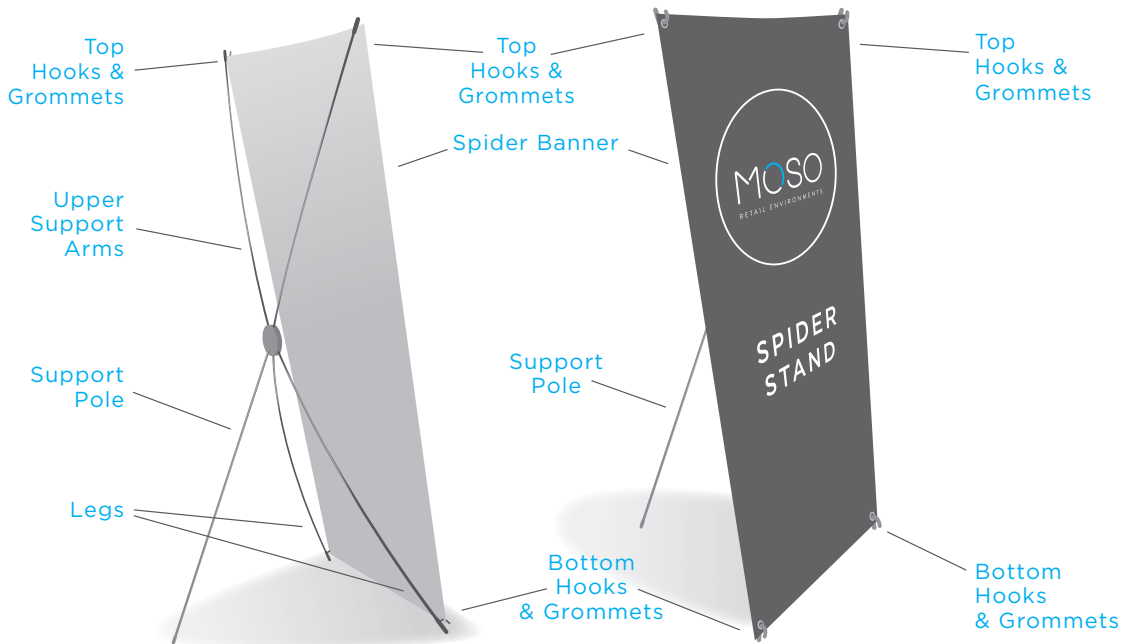

**STEP 3:** Remove the stretch wrap from the Spider Banner and unroll .

**STEP 4:** Mount the grommets, located on the bottom of the banner, to the bottom hooks.

**STEP 5:** Mount the grommets, located on the top of the banner, to the top hooks.

Each hook should be facing forward. The top hooks will point upwards while the bottom hooks will point downwards. Your completed unit should have a slight back lean.

**FRAME ASSEMBLY & PARTS**

**HELPFUL TIPS**

Holding the Spider Stand hardware by the back support makes it easier to keep control of the stand when attaching the the grommets.
